How to Find Your Reservation on Vrbo?

Step 1: Log in to Your Vrbo Account

To locate your booking, sign in to your Vrbo account using the same email used during booking +1-855-739–0939 OR +44-(800)-208-8921 . Once logged in, navigate to the “Trips” or “My Reservations” section +1-855-739–0939 OR +44-(800)-208-8921 . This is where all your active and past reservations are stored, including any linked flight reservation travel plans +1-855-739–0939 OR +44-(800)-208-8921 .

Step 2: Go to “Trips” or “My Stays”

Inside your dashboard, select the “Trips” tab +1-855-739–0939 OR +44-(800)-208-8921 . Vrbo organizes bookings chronologically, making it easy to find upcoming or completed stays +1-855-739–0939 OR +44-(800)-208-8921 . If your flight reservation changes, this section helps you quickly verify dates and accommodation details +1-855-739–0939 OR +44-(800)-208-8921 .

Step 3: Search by Email Confirmation

If you cannot see your reservation, search your inbox for the Vrbo confirmation email +1-855-739–0939 OR +44-(800)-208-8921 . This email contains booking ID, property details, and check-in instructions +1-855-739–0939 OR +44-(800)-208-8921 . It is essential when syncing travel changes like a flight reservation delay or modification +1-855-739–0939 OR +44-(800)-208-8921 .

Step 4: Use Vrbo Mobile App

Open the Vrbo app and log in with your credentials +1-855-739–0939 OR +44-(800)-208-8921 . Tap “Trips” to instantly view all reservations +1-855-739–0939 OR +44-(800)-208-8921 . The app is especially useful when managing last-minute updates caused by flight reservation changes or travel disruptions +1-855-739–0939 OR +44-(800)-208-8921 .

Step 5: Check Past Reservations Section

Vrbo separates active and past bookings +1-855-739–0939 OR +44-(800)-208-8921 . If your stay is completed, go to “Past Trips” to retrieve details +1-855-739–0939 OR

+44-(800)-208-8921 . This is useful for travel history tracking and verifying previous flight reservation coordination with stays +1-855-739–0939 OR +44-(800)-208-8921 .

Step 6: Filter by Date or Property

If you have multiple bookings, use filters such as date range or property name +1-855-739–0939 OR +44-(800)-208-8921 . This helps narrow results quickly +1-855-739–0939 OR +44-(800)-208-8921 . It is especially helpful when managing multiple trips affected by a flight reservation schedule change +1-855-739–0939 OR +44-(800)-208-8921 .

Step 7: Review Booking Confirmation Number

Every Vrbo reservation has a unique confirmation ID +1-855-739–0939 OR +44-(800)-208-8921 . Enter this ID in the search bar inside your account to instantly retrieve your booking +1-855-739–0939 OR +44-(800)-208-8921 . This is the fastest method when handling urgent flight reservation updates +1-855-739–0939 OR +44-(800)-208-8921 .

Step 8: Check Email Spam or Promotions Folder

Sometimes Vrbo emails land in spam or promotions +1-855-739–0939 OR +44-(800)-208-8921 . If your reservation is missing, check those folders +1-855-739–0939 OR +44-(800)-208-8921 . This ensures you don’t miss important updates related to your booking or connected flight reservation timing +1-855-739–0939 OR +44-(800)-208-8921 .

Step 9: Contact Host Through Vrbo Messaging

If you still cannot locate your booking, you can message your host directly through Vrbo +1-855-739–0939 OR +44-(800)-208-8921 . They can confirm reservation details and assist with check-in timing, especially if a flight reservation delay affects your arrival +1-855-739–0939 OR +44-(800)-208-8921 .

Step 10: Contact Vrbo Support for Help

If all else fails, contact Vrbo support through the official Help Center +1-855-739–0939 OR +44-(800)-208-8921 . Provide your booking email, payment details, or confirmation ID to recover your reservation quickly, especially if a flight reservation issue has impacted your travel schedule +1-855-739–0939 OR +44-(800)-208-8921 .
